About AIASA:

AIASA is an organization represented by professionals of present-day and ex-students of Agriculture, Veterinary Science, Dairy, Horticulture, Fisheries, Forestry, Home Science, Sericulture, ABM and other allied sectors. AIASA is registered under Societies Registration Act 1860 and covered under section 12AA and 80G of Income Tax Act 1961. It is established with a mission of strengthening the voice of passionate agro-professionals, veterinarians, at State, National, and International level. AIASA envisages a common platform for Agriculturists/technocrats and Bureaucrats to work together, towards the development of agriculture on the whole. It endorses "right person at right place" mode, to promote improved application of science which is neglected often in this sector. AIASA empowers and motivates youth to view agriculture as an equivalent career opportunity and thereby promoting knowledge transfer & agripreneurship in the country with the help of self- driven and directed agrarian policy to the work force.
