No.4-6/AIASA/2024/1

Dated: 03.11.2024

**Sub: Illegal use of letter head of the association and unauthorised circulation of messages in WhatsApp group and other social media site by suspended members – reg.**

This is to inform that; the following members has been suspended for working against the aims and objectives of the association and creating disharmony among the members by involving in different conspiracies against the association:

1. Mr Ninaad Mahajan (terminated member and former General Secretary, AIASA),
2. Mr. Vimal Sharma (terminated member and former Chief Coordinator AIASA) and
3. Dr Sahadeva Singh (Suspended Policy Advisor, AIASA)

It has been also observed that some of them are still involve in unauthorised circulation of messages on WhatsApp and emails, trying to hijack AIASA email, illegal swapping of sim cards of AIASA official mobile numbers, ignoring National President's mail.

All mails and messages issued by them are unauthorised, misleading and illusory therefore stands null and void and association has nothing to do with their views and actions.

Official AIASA election notification for the year 2025 posted on Facebook has been issued by a newly appointed returning officer and it is genuine.

So, it is requested to ignore these fake activities and messages from suspended and terminated members.

This issues with the approval of the National President, AIASA.

Yours faithfully,

Brijesh kumar Yadav
